#### ABOUT THE POSITION

As Growth Consultant Sales, you will help ComX to move into working directly with CEO (Ex-Google) and COO (Ex-General Office or remote).

We are funded by customer revenue not by investors, which allows us to take sustainable decisions for our business and provide actual value to our customers. If it's not helping people we won't do it. It's as easy as that.

We are looking for people who understand that, share the passion for growing businesses sustainably and actually providing value.

#### YOUR TASK

- Dive into training and get going super fast. We expect people to hit the ground running ASAP and use the Training provided
- Consulting and Negotiating deals with our prospective Customers. That means, arranging Demos and conducting them with the goal to convert clients.
- Negotiating with C-Level Target audience. ComX is used by technical CEOs that really like to move the needle - so you need to become comfortable to deal with successful, hardworking people and support them.
- Identify Bottlenecks and improve the funnel together with Philipp to optimize for efficiency and return.
- Test and iterate new offers and products we are launching to existing or new audiences
- Get involved into any growth tasks as required - hiring - marketing - offer adjustments - consulting our clients for funnel questions - consulting our clients for copy questions
